Notice

Development Coordination wants to inform you the following documents have been updated and are required for **all** new Pre-Submittal Meeting Requests, effective immediately.

1. The [Auxiliary Lane Worksheet](#) has been updated to correspond with the K and D factors as provided in [DelDOT's 2022 Vehicle Volume Summary Book](#).
2. The [Traffic Generation Example](#) will be updated to reflect the current changes and will be posted to the Development Coordination website by Monday, May 22, 2023. The Traffic Generation Example is provided to give a better understanding of the methodology for creating the Traffic Generation Diagram.

If you have any questions, please feel free to contact the Development Coordination, Traffic Analysis Section at (302) 760-2122.

**All documents can be found on our [Development Coordination Website](#)*
